

Maths

In Maths we will be continuing to use and apply our knowledge of numbers up to 10. We will be consolidating what we know about each number and solving addition and subtraction problems with these numbers. We will be continuing to learn our number bonds to 10 as well as exploring how we can record our learning and explain our reasoning and problem solving methods.

Topic

We are very excited about our new topic...

Under the Sea!

We will be using our class story 'Tiddler' to inspire our learning. Each week we will send an email to let you know what we have been learning in school with some ideas of how you can continue this at home.

We have had some very exciting visitors to our class - fish! We are busy learning how to take care of them and using them to inspire our learning.

General

We are so proud of all of the children in FS2!

They returned to school so well just before Easter and have come back with big smiles and happy faces this half term. We are ready and raring to go with lots of fun activities and the children are already responding by using and applying their knowledge in skills in their busy time!

Christ Church (Cof E) Moreton Primary School

Summer 1 2021

Foundation Stage 2 Curriculum Newsletter

Things to remember...

PE day is Thursday - children should come to school wearing a suitable PE kit for the day.

Forest school continues this half term, please ensure your child has appropriate clothing for their day.

If possible, please send in a pair of wellies and some waterproof clothing for your child to wear in our outdoor area to keep their clothes protected.

Please try to send in a school book bag to help us keep on top of storage and to ensure your child can bring home any learning they have done safely.

Mrs Millward will now be working with Class 1 on a Friday with Mrs McNay.

Any homework, learning outside of school or celebrations should be uploaded to Seesaw.

Nurturing achievers,
who in Jesus' sight are:

Resourceful, Reliable, Respectful and Resilient

English

In English we will be linking lots of our learning to our topic 'Under the Sea!'. We will be continuing to develop our knowledge of phase 2 and 3 sounds in phonics and will be working hard to independently read and write short sentences using this knowledge. We will be learning about information texts and writing labels and descriptions linked to this.

RE & Worship

In RE we will be looking at the Holy Spirit, we will be thinking about Pentecost and learning all about how this is the Church's birthday.

Our Christian value for this half term is Friendship and we will be learning about Jesus as our friend, Jesus' disciples and how we can be a good friend.

Homework

Homework will continue to be uploaded to Seesaw on a Thursday for you to work on over the following week. We ask that any responses are uploaded to your child's Seesaw account by the following Friday for us to respond. Please try to focus on the reading homework each week and try 1 or 2 of the suggested activities.
