

Christ Church Theatre Experience!

It has been a year since we have been able to enjoy live performances, so we have found a great opportunity for all our pupils.

On Thursday 22nd April, we will all be watching an afternoon matinee live streamed performance of *Dr Seuss' The Lorax* from The Old Vic Theatre in London.

A classic story about taking care of our planet, the stage adaptation will take us on an Eco journey to find out what happens if we don't look after our trees and areas of natural beauty. Filled with songs, puppets, dance and music, The Old Vic tells the story with charm and empathy to celebrate World Earth Day 2021.

Christ Church children will be able to enjoy the full show with some tasty interval treats – all at no charge!

Huge thanks to The Old Vic theatre for bringing the stage to Moreton – we're really excited to join the show!
