Warm weather guidance:

As we are starting to experience a sunny spell please can we remind parents/ carers of the following;

- We recommend parents/carers apply 'all day' factor 30 or above water resistant cream.
- Children can bring sun lotion in a named bottle to re-apply. Children will have to re-apply themselves; staff will be able to assist but cannot apply for them.
- We recommend that you provide you child with a sun hat/ cap.
School sun caps can be purchased from the school at the cost of £3.50
- Please provide your child with a water bottle, children will be encouraged to drink plenty throughout the day and will be able to refill their bottles if needed.
- Uniform should be loose/ light so children can regulate temperature; we also suggest including an extra layer ie jumper or cardigan for cooler times.

We will endeavour to keep all children safe in these warmer times and ensure children are reaming hydrated and in shaded spaces should weather become too hot. Please see attached Christ Church Primary Schools Sun Safe policy.

Many thanks for your continued support and fingers crossed the lovely weather is here to stay.
