

Maths

In Maths we will be further developing our place value skills using numbers to 100. We will also learn about the coins and notes we can use to buy things.

Science

We will be learning about animals this half term. We will learn how to identify and classify a range of birds, reptiles, amphibians, mammals and fish.

| Birds | Insect | Fishes | Amphibians | Reptiles | Mammals |
|-------|--------|--------|------------|----------|---------|
| | | | | | |
| | | | | | |
| | | | | | |
| | | | | | |

General

Please remember:

- **PE Kits**, must be returned to school after the break. PE will be on **Thursday** and children will come home in their kits.
- **Forest School**- Please ensure suitable clothing is in school on **Fridays** as we will be accessing the outdoors in all weathers.
- **Cooking**- containers must be in school on **Tuesdays** for cooking sessions.

Thursday 2nd March 2023

World Book Day

Tuesday 7th March/Wednesday 8th March 2023

Parents Evening

Friday 10th March

Film Night

Friday 31st March

Easter service at church 9:30am

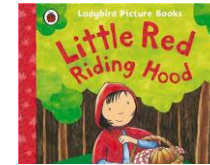

School closes for half term

Nurturing achievers,
who in Jesus' sight are:
Resourceful, Reliable, Respectful and Resilient

English

In English we will be linking lots of our learning to our topic 'Into the woods'. We will learn about animals and write our own fact files and we will use our knowledge of traditional tales to write our own twisted traditional tale.

RE & Worship

In RE we will be learning about Resurrection and how the empty tomb is good news for Christians.

Our Christian value for this half term is

Homework

Thank you for all of your support with homework and reading so far. These tasks enable the children to apply the skills they have been taught in school and revisit concepts. We love seeing all of the independent learning on Seesaw. Reading packs must be returned each week as other groups across school use them.

If you have any questions about homework for your child, please send us an email and we will get back to you.
