

## Maths

We are busy revising all the important concepts learned this year, in preparation for Secondary School. Lots of arithmetic practice, reasoning and problem-solving work will be included throughout to equip our children well for their education at Secondary School. There will also be some familiarisation sessions to prepare the children for their Maths SATs in May.

Our next area to concentrate on is angles.

## Science

For Science we are finishing off our light topic, looking at shadows, and making sure we understand all of the vocabulary linked to light, such as opaque and translucent.

## History

We will continue to gain an understanding of what life was like in Liverpool following the War, looking at the Blitz and how it affected the city. We will also look at different uses of transport during WW2.

## PSHE / Music

We will continue to learn about the concept of democracy and how the UK Parliament works. We will also have the opportunity to talk to our local MP.  
In music we will learn about the music of Tchaikovsky.

Spring 2 2023

## Y6 Curriculum Newsletter

### Diary dates & events

Please note that **SATs week** is Tuesday 9<sup>th</sup> May - Friday 12<sup>th</sup> May. Please ensure there are no planned absences for that week.

## PE

PE this half term is cricket. PE sessions will take place on Tuesday and Thursday afternoons. On these days the children will bring in their PE kits.

## French / I.T.

Children will learn how to talk about themselves and move on to talk about pets. They will also further develop their listening, reading and writing skills.

In computing we will create digital propaganda posters.

## ART / DT

To paint in the style of LS Lowry.  
To learn about structures and how to build a model Anderson shelter.

## English

The novel we are continuing to study this half-term is a delightful book called "Letters from the Lighthouse" by Emma Carroll. We will also be continuing our grammar work, revising verb tenses, clause types, spelling patterns, word classes and punctuation. We will also continue to use our "Scode" programme for spelling.

## RE & Worship

The Christian value we are embracing this half term is 'forgiveness' and this will be the focus of assemblies and class worship. The main R.E. theme for our lessons is resurrection and what it means for Christians today.

## Homework

**Maths & English** - handed out Friday due in the following Wednesday. This is based on work covered in class. English will include various grammar and spelling work.

**All homework tasks will be on sheets handed out to the children.**

**Reading** - Regular reading (3x a week) from ZPD book. Reading record and practice book to be brought to school each day.

**Extra homework maybe issued as required.**
