

Maths

In Maths we will be learning about numbers to 20. We will be learning about tens and ones as well as solving addition and subtraction problems with these numbers. We will be learning to count forwards, backwards and in different ways e.g. 2s / 5s / 10s

Topic

We are very excited about our new topic...

Pirates!

We will be using our class story 'Captain Beastlie's Pirate Party' to inspire our learning. Each week we will send information in our homework update to let you know what we have been learning in school with some ideas of how you can continue this at home.

General

We continue to be so proud of the children in FS2., their progress this year has been amazing and they have adapted to our new classroom environment this half term. We hope to have the best last half term together and look forward to some more fun and exciting learning!

Christ Church (Cof E) Moreton Primary School Summer 2 2021 Foundation Stage 2 Curriculum Newsletter

Things to remember...

PE day is Thursday - children should come to school wearing a suitable PE kit for the day.

Forest school continues this half term, please ensure your child has appropriate clothing for their day.

Please consider sending in a sun hat and named sun cream to keep in school for your child on hot, sunny days.

Please try to send in a school book bag to help us keep on top of storage and to ensure your child can bring home any learning they have done safely.

Any homework, learning outside of school or celebrations should be uploaded to Seesaw.

Parents Evening bookings are now live, please make your appointment online.

Nurturing achievers,
who in Jesus' sight are:

Resourceful, Reliable, Respectful and Resilient

English

In English we will be linking lots of our learning to our topic 'Pirates!'. We will be continuing to develop our knowledge of phase 3 sounds in phonics and will be working hard to independently read and write short sentences using this knowledge. We will be using our reading and writing to complete tasks such as wanted posters, messages in bottles and treasure map clues!

RE & Worship

In RE we will be looking at our local church community and how we fit into the wider Christian community. Our Christian value for this half term is Humility and we will be learning about how we can show this value and why it is important.

Homework

Homework will continue to be uploaded to Seesaw on a Thursday for you to work on over the following week. We ask that any responses are uploaded to your child's Seesaw account by the following Friday for us to respond. Please try to focus on the reading homework each week and try 1 or 2 of the suggested activities.
