Dear Parents/Carers

Re: Disability Discrimination Act

In line with the Disability Discrimination Act we as a school are obliged to inform parents/carers that they can, if they wish to, disclose any information regarding a diagnosed personal disability and any special requirements or considerations it may need, to help us meet their needs.

“Disability is a physical or mental impairment which has a substantial and long term adverse effect on a person’s ability to carry out normal day to day activities” (DDA 1995)

This now includes people with cancer or surviving cancer, HIV or MS from the point of diagnosis. The need for mental impairment to be clinically recognised has now been removed.

As Parents/Carers this will be a yearly event throughout your child’s time at Christ Church School, thus giving you the opportunity to update any information you need to.

Any information you give is entirely voluntary and it is your choice if you wish to share anything with us. As this information is for school use only it will **not** be disclosed to any outside agencies, and only accessible to key personnel within the school community.

If you choose to complete the form please return it in an envelope marked ‘Private and Confidential’ to Mrs R Baker, School Administrator.

When an event or activity takes place in either the School or Church there will be an opportunity for you to inform us of any needs (e.g. wheelchair space, or use of the hearing loop in Church) that you require.

Yours sincerely

Mrs A Donelan
Headteacher
