

Christ Church Primary School

Together we can do all things through Christ who strengthens us

Week Ending 17/03/23

Message from Mrs Donelan

This week we have held several very positive parent consultations with year 3 and year 5 families on the delivery of our PSHE curriculum. Thank you to those parents that attended; we value the open discussions with you all and we will be following up the actions agreed.

Thank you for helping us to fundraise for BBC Comic Relief today; particularly when families have been affected by the cost of living increase. The children all look fabulous with their red accessories— it is so important that we teach children about charitable giving and encourage them to support those less fortunate than themselves.

Tonight is our CCPA film night. Over half of the school are staying late to snuggle up and watch a film with their friends in school. These events are only possible with the hard work and commitment shown by our parent volunteers on the CCPA team. Thank you to those families who are supporting the committee this evening—I am sure the children will have a great time!

Weekly scripture focus, Colossians 3:13

BEAR WITH EACH OTHER AND
FORGIVE ONE ANOTHER IF ANY OF
YOU HAS A GRIEVANCE AGAINST SOMEONE.
FORGIVE
AS THE LORD FORGAVE YOU.

Prayer Requests

If you have any prayer requests that you would like us to take forward to the prayer group then please email them to: ethos@christchurch-moreton.wirral.sch.uk

Look what we enjoyed this week

Pre-school had a lovely visit to forest school, they had a hunt for bugs but unfortunately couldn't find any, we think they were all keeping warm in their habitats.

FS2 have been talking about the Easter story this week and how the story makes them feel. They discussed why the story might make them feel both sad and happy and what parts we enjoyed.

Year 1 worked collaboratively to make a yummy Moroccan carrot and orange salad in their cookery unit in DT.

Year 2 are enjoying learning about flight in history. The children got to role play and hot seat the Wright Brothers!

Year 3 have been creating some art, they have used balloons, glue and newspaper to make masks!

Year 4 measuring, whisking, mixing and cracking eggs were new skills that were learnt in the y4 cookery lesson.... Delicious blueberry pancakes were on the menu!

Year 5 have been learning all about Ramadan and Eid by reading a story and a having a talk by a class member. They were so proud to learn from her.

Year 6 have been learning about the role Liverpool played in the first world war.

Nurture class This week nurture have been busy in the canteen peeling, chopping, grating and cutting all the ingredients to make a delicious carrot, orange and mint salad.

A message for the ethos group...

Just a reminder that there will be no ethos after school meeting until after Easter.

Thank you!

Look at our prayer pod!

What have the ethos group been up to?

The children in the ethos group have been busy creating a school prayer pod this term— it is great to see children using it across the school during their playtimes.

Together we can do all things through Christ who strengthens us

Why is Punctuality important?

Just 10 minutes late a day means that your child will have missed over a week of learning over the year

Children can feel embarrassed arriving in class after learning has already started

Late arrival means your child will miss key learning for the day

If children arrive after the register closes at 9.30am it will be marked as an unauthorised absence

Late arrivals may result in families being issued with a fixed penalty notice

Children need to be collected promptly at the end of the school day

It instills good habits for now and in the future

Remember to ensure your child arrives on time so they don't miss out!

Your child should arrive at school for 8.45am

Registers close at 9.00am

If you are experiencing difficulties we are here to help. We have lots of ideas that we would love to share with you.

If you would like some more information please speak to Miss Baker
