

# Christ Church Primary School

Together we can do all things through Christ who strengthens us

**Week Ending 31/03/23**

## Message from Mrs Donelan

Dear families

What a busy week we have had! Thank you to our children for their wonderful ideas for the Lenten sale. The children showed such great compassion this half term as they have planned their stall, made items to sell and proudly sold the items to raise money for charities so close to their hearts. My thanks go to our families for your generous support and charitable giving.

It was wonderful to see so many of you join us at church today for our Easter services. It was so uplifting to hear the children demonstrate their understanding and explain their reflections on this special time of year.

Finally, my prayers are with you all for a restful Easter that uplifts you, bringing renewal and peace.

*Amanda Donelan*

## Weekly scripture focus, John 11: 25-26

Jesus said to her, "I am the resurrection and the life. Whoever believes in me, though he die, yet shall he live, and everyone who lives and believes in me shall never die. Do you believe this?"

**John 11:25-26**

## Prayer Requests

If you have any prayer requests that you would like us to take forward to the prayer group then please email them to: [ethos@christchurch-moreton.wirral.sch.uk](mailto:ethos@christchurch-moreton.wirral.sch.uk)

## Look what we enjoyed this week

**Pre-school** have had lots of fun creating bags and filling it full of all our Easter crafts we have created over the past week!

**FS2** We are working on our well-being in FS2 by talking about the signs of new life at Easter time and creating Spring time pictures alongside our friends. Calm and peacefulness reflecting upon this special time of

**Year 1** made some amazing shapes and lines in PE and have worked hard to create tension in their muscles and hold balances. We have also made our very own sandwiches.

**Year 2** had great fun creating their very own moving vehicles, the children made sure they included a chassis, axles and wheels. We had so much fun!

**Year 3** have enjoyed creating and writing their own stories and performed amazingly at church for our parents.

**Year 4** just loved the hands-on approach to our Viking morning of fun! We explored real artefacts and answered questions about their importance, use and date.

**Year 5** really enjoyed their Easter experience this week and have celebrated all our stars, class chart winners and kindness captains!

**Year 6** have been working really hard on their Easter service this week and learning new spellings using Scode and using them to write their own news papers.

**Nurture class** This week nurture have finished up their printmaking unit in art by designing patterns for potatoes, carving them, and then printing onto beetroot dyed fabric.

## Future dates for your diary

### Monday 17th April

School re-opens for Summer term.
