

Christ Church Primary School

Together we can do all things through Christ who strengthens us

Week Ending 19/05/23

Message from Mrs Donelan

Dear families and friends,

A huge thank-you for your support this week; we have been overwhelmed by your messages and positive feedback and it's given us all such a boost to hear how much our families appreciate the work of the school. The inspection was very intense; observing 28 teaching sessions, speaking with children from every year group, every teacher and a range of support staff. Interviews with senior leaders were challenging but fair and the inspection team got a thorough view of our school. We are unable to share the outcomes until we receive the report which should be during June. Your children were an absolute credit to their families and our school and made us all so proud; the sense of togetherness between staff, governors, our Trust, children and families as we celebrated our community was so special and something I will always keep with me.

Thank-you for being such a fabulous community to work with, *Amanda Donelan*

Look what we enjoyed this week

Pre-school enjoyed their assembly with our governor Mr Bates and learnt **FS2** have enjoyed a spot of gardening in the outdoor area. They found wiggly worms and used the information books to find out about them!

Year 1 have used the iPads and their computing skills this week to research hovercraft and produce Pic Collages in Geography. They also listened to an ancient Egyptian story in PSHE and discussed the importance of collaborating.

Year 2 have enjoyed working together making links between well known stories. Y2 have also enjoyed their forest school sessions this week!

Year 3 enjoyed welcoming Mr Bates from RNLI to teach them all about water safety! They are going to practice floating like a big starfish in the swimming pool and put their new skills to the test!

Year 4 are making the most of every opportunity to practise their times tables ahead of their MTC in a few weeks, and have been busy retrieving, inferring and exploring vocabulary in their new class text.

Year 5 have had a busy week completing our maths unit on decimals and percentages and our 'Royal Standards' topic in Design Technology.

Year 6 have been working hard editing their news clips using iMovie that they took last Friday at Leasowe Lighthouse.

Nurture class have enjoyed using natural objects in forest school to compare two different groups up to 20. In art they have been making leaves out of clay, and have also been learning about directional commands in computing.

Future dates for your diary

Y2SATs: Week beginning **22nd May**
22nd May: Y6 Dental Survey
25th May: Y5 Coffee morning **9.00am**
 Y1 assembly **9am**
26th May: School closes for half term
5th June: INSET day
6th June: School re-opens for children
 Class photo day
 Y6 bikeability starts
8th June: Y4 coffee morning
12th June: Y1 Phonics screening week

THOSE WHO HOPE
IN THE LORD WILL
RENEW THEIR
STRENGTH. THEY
WILL SOAR ON
WINGS LIKE EAGLES;
THEY WILL RUN
AND NOT GROW
WEARY. THEY WILL
WALK AND WILL
NOT BE FAINT.
- ISALAH 40:31 -

As you will remember, during the season of Lent, our children set themselves a Lenten challenge! The children decided which local charities they wanted to support – these included Alder Hey Children’s Hospital, Claire House Hospice, Hooves for Healing and Charles Thompson Mission, Cancer Research and RSPCA. All of these charities benefit our local community with support, therapy and healthcare. The children’s charitable giving raised a total of **£736.83** and we invited representatives from the charities to school to receive our donations. Part of our school vision states ‘love one another warmly as Christians’.

Our children have really exemplified this through their kindness; one child said, ‘it makes me feel warm inside when we do things to help others and spread hope, just like the Bible tells us to.’ Well done to the children who showed such compassion, using their free time to make items to sell at their Lenten sale; these included necklaces, bookmarks and keyrings to raise money for the charities.

See spectacular Moon mission photographs like never before at Williamson Art Gallery & Museum

Apollo Remastered
April 28th – September 2nd 2023
Williamson Art Gallery & Museum, Birkenhead

Apollo Remastered at Birkenhead's Williamson Art Gallery & Museum showcases spectacular images from Andy Saunders' extraordinary bestselling book on a never-before-seen scale.

The original NASA photographic film from the Apollo missions is some of the most important and valuable film in existence. It is securely stored in a frozen vault at Johnson Space Center, Houston. It never leaves the building – in fact, the film rarely leaves the freezer. The images it contains include the most significant moments in our history, as humankind left the confines of our home planet for the first time and set foot on another world.

For half a century, almost every image of the Moon landings publicly available was produced from a lower-quality copy of these originals. Until now...

Apollo Remastered lands at Williamson Art Gallery & Museum on April 28th 2023, showcasing images from Andy Saunders' extraordinary book of the same name. Saunders invites viewers to explore the Moon landings in spectacular high definition for the very first time. By applying painstaking care and cutting-edge enhancement techniques, he has created the highest quality Apollo photographs ever produced.

The exhibition of these images at the Williamson are the biggest staged anywhere in the world to date. It presents the photographs on a large scale, offering awe-inspiring insight into one of our greatest endeavours.

Until 2nd September 2023

School Visits Information

Self-led visits to the Williamson can be arranged by contacting our Schools Team at schoolvisits@wirral.gov.uk

Captions and questions have been placed around the exhibition aimed at children aged up to 11; main interpretation panels are suitable for older audiences.

2023
