

Maths

In Maths, we will be revisiting money and then looking at time and measures, including weighing ingredients during our cookery lessons.

If you can, continue using TTRS - thank you!

Science / History / Geography

Awesome Australia

We are going to be continuing our unit of work on Australia. We will be looking at who were the first people in Australia and what life was like for them, and then we will be comparing life in Moreton Island with life in Moreton, Wirral.

We will be welcoming our visitor on 7th July, looking together at Aboriginal life and then decorating and playing our own didgeridoos.

RE & Worship

In RE this half term we will be learning about the concept of 'The Church' and looking at why the Church is a special place for Christians.

Our **Christian Value** for this half term is:

JOY

Christ Church (C of E) Moreton Primary School

Summer 2 2023

Y2 Curriculum Newsletter

General information

Every Monday afternoon, the teachers have their planning, preparation and assessment time. During this time, the children will have a rolling programme of Music and PHSE with Miss Shahi/Mrs Edgington and PE with our sports coach.

The children will need to bring in their named PE kits and wellington boots at the start of the half term for their PE lessons and forest school sessions. We will send everything home at the end of each half term. PE will be on a Monday afternoon and forest school on a Friday afternoon.

Reminders

Please ensure that your child brings in a named water bottle and a cap every day! Please also ensure that your child has sun cream applied before school each day. They may bring in sun cream to top up during the day, but they must be able to do this themselves. Thank you!

Key dates:

Wednesday 21st June 2pm Year 1 and 2 Sports Day

Thursday 22nd June Year 2 coffee morning

You can always catch us at the end of each day, if you have a question, or you can email any queries to y2@christchurch-moreton.wirral.sch.uk

We are really keen to continue working together to get the best for your child!

Together we can do all things through Christ who strengthens us

English

This half term we will be looking at the story 'Ella and the Ocean', focussing on making predictions, character descriptions, and writing our own stories.

We will continue teaching children our phonics and SCODE. We will be looking at spelling patterns, and will revisit prefixes, suffixes and tenses.

In reading we will be focussing on our inference, checking we fully understand what is going on and why.

You can further support your child at home by reading daily with them and encouraging them to write regularly for a purpose - letters, shopping lists, birthday cards, party invitations etc. Thank you!

Reading and Homework

Your children will bring home their reading book daily. Please encourage them to read as much as possible and ensure that you are listening to them read at least three times per week. Please ensure you are signing their reading record to show what they have read and how they coped and return reading books and record books daily. The children will also bring home a Team Read book which is a book of their choice from our reading library. Homework will be set every **Friday** to be completed at home and returned by the following **Wednesday**.

Children are encouraged to complete their homework independently, using their phonic knowledge to help them to spell unknown words. Thank you 😊.
