

## Maths

In Maths we will be exploring numbers between 5 and 10 through play based activities. We will be thinking about problem solving strategies in practical activities and using our rapid recall of number facts to help us with these. We will be learning new number rhymes and songs as well as working on our number recognition.

## Topic / theme

This half term we will be linking lots of our learning to our theme: 'Fishy Friends!' We will be using the books 'The Rainbow Fish' to inform our play and learning activities. We will be learning about what makes a good friend and how we can be one, understanding what sharing is, things that make us special and unique and learning all about different sea creatures.

## General

Please remember to continue to send in a water bottle, school black bookbag and waterproof coat each day. Your child should bring in their 'Home School Diaries' each day for their Key Person to complete and send back to you. Please apply sunscreen on sunny days and feel free to send in a named bottle for children to reapply in school - please note staff will support children with this.

Please continue to use the email address [earlyyears@christchurch-moreton.wirral.sch.uk](mailto:earlyyears@christchurch-moreton.wirral.sch.uk) for any correspondence.

## Christ Church (Cof E) Moreton Primary School Summer 2 2023

### Pre School Curriculum Newsletter

#### Diary dates & events

We have loved welcoming all children back into Pre School this week, they have had great fun playing in the sun and exploring our new activities with their friends. For some, we are in our final half term together and we will be including activities linked to transition and moving to a new class, for others that will be continuing on in September we will focus on their own next steps and beginning to think about them as role models for when new friends join us in September!

#### Upcoming things to note...

##### Pre School Stay and Play

Dates TBC - further information will be sent out to you in advance

##### EYFS Sports Day

Thursday 29<sup>th</sup> June

All children in Pre School are invited to join us for our Sports Day session, if they do not normally attend on this day further information will be sent out to you in advance.

##### Pre School Parents Evening

Week beginning 10<sup>th</sup> July

Appointments will be made with you by your child's Key Person for a convenient time during this week,

Nurturing achievers,  
who in Jesus' sight are:

Resourceful, Reliable, Respectful and Resilient

## Phonics / English

In Phonics we will be learning to hear and say sounds in words, notice the initial sound in words and talk about different sounds we can hear. We will be playing games to help us orally blend and segment words (break them up into the sounds within and vice versa to say a whole word.

We will be focusing on a nursery rhyme each week, thinking about the vocabulary involved and learning the meaning of any unfamiliar words as well as rehearsing and performing the ones we learn.

Our busy time learning activities will all be linked to our class texts and themes, staff will also take note of the children's interests or events they may have been to and bring these into our learning .

## RE & Worship

In RE we will be learning about the 'Special People' linked to Christianity and other faiths. Our school value for

this half term is . We will be spending time each week learning about this through stories and activities.

## Home School Partnership

Please continue to use Tapestry to share any fantastic moments from home. We love to see any achievements, however big or small, new activities your child is enjoying, learning they are doing at home or any fun and games from outside of school. The more you add to Tapestry, the bigger picture we have of the things your child likes and their development. We can then use this to inform our teaching and learning in school.
