

Christ Church Primary School

Together we can do all things through Christ who strengthens us

Week Ending 23/06/23

Message from Mrs Donelan

Dear Families & Friends,

We have been so fortunate to have experienced such lovely weather during our sports days this week for our children in years 1`-6. We look forward to next week and hope and pray that we have similar weather for our EYFS sports day on **Thursday 29th June at 2pm.**

Don't forget that our social supermarket is open every Tuesday and Thursday after school and we have started the sessions for families to help in our allotment; further details of both of these can be found further down in this newsletter.

Have a restful weekend and thank you for your ongoing support,

Amanda Donelan

Weekly scripture focus:

Nehemiah 8:10

Nehemiah said, "Go and enjoy choice food and sweet drinks, and send some to those who have nothing prepared. This day is holy to our Lord. Do not grieve, **for the joy of the Lord is**

your strength."

Prayer Requests

If you have any prayer requests that you would like us to take forward to the prayer group then please

email them to: ethos@christchurch-moreton.wirral.sch.uk

Look what we enjoyed this week

Pre-school have been practising their underarm and over arm throwing skills this week, using the sea creatures they painted.

FS2 have been writing messages to go in a bottle that we can send to Captain Beastlie! We thought about how Captain Beastie could keep himself clean. He delivered a note and a new book for us to begin learning about sea creatures.

Year 1 have been exploring what happened when Jesus was baptised. They read about his special event in the Bible and then enjoyed looking at some famous paintings. They also created their own paintings of the baptism of Jesus.

Year 2 enjoyed sports day this week. The teachers are so proud of the behaviour, sportsmanship and teamwork shown during the day! Well done Year 2.

Year 3 have worked hard in their maths work as they continued their work on shape. They have started work on recipe writing in English and have enjoyed testing materials in Science to see which items can form a shadow. We also enjoyed Sports Day, cheering on our teams and especially enjoyed the ice lolly break!

Year 4 have written some fantastic diary entries based on their class text, Why the Whales Came by Michael Morpurgo as well as learning all about Ordnance Survey map symbols in Geography. We loved taking part in Sports Day and cheering on our friends too!

Year 5 have been completing their assessments this week with great resilience and independence. We have enjoyed a fabulous sports day demonstrating teamwork and perseverance. In art, we are practising our skills in photography and editing on the iPads.

Year 6 we are really proud of all the children who took part in the dance festival at the Floral Pavillion. We are also proud of the sportsmanship shown from all of year 6 on sports day.

Nurture class nurture have developing using their counting skills in a dice game called Yahtzee and making junk model boats with anchors.

Attendance Matters

Weekly Attendance

Community resources at Christ Church!

As you know, work with our community is really important to use here at Christ Church! Please read below for some details on how we can continue to strengthen the links between school and our families:

Community allotment

We have some exciting news! As you know, we are very lucky to have our own outdoor learning area with an allotment garden. We have lots of space to sow seeds and grow vegetables and an array of different plants. If you or another family member are interested in coming to volunteer some time in our allotment area, we have a volunteer who is DBS checked and will be on site every Wednesday morning (after the start of the school day). If you would like to come and offer some time, these sessions have now begun.

This is a wonderful opportunity for parents / carers / guardians / grandparents to come to school and spend time with the children working on their year group's allotment patch and in return for hours worked, you can reap some of the harvest!

Gardening in our allotment will be a fantastic experience for all those keen gardeners and an opportunity to support the school.

Please contact the office if you would like to register an interest in supporting the community allotment!

Social Supermarket is OPEN at Christ Church

We are also very excited to be launching a social supermarket – here at Christ Church! Lots of you will have noticed the new shelter on the front playground by the green gate. This has been set up and stocked by Neo. The social supermarket is a facility open to everyone and will operate every **Tuesday and Thursday between 3.15-3.45pm.**

SOCIAL SUPERMARKET

Building Confidence, Community & Resilience

Neo Community is a community organisation working within The Wirral and the North West, tackling food insecurity at the grass roots. NEO operates the 'pay-as-you-feel' system in our school shop at Christ Church C of E Primary. The pay-as-you-feel concept is fundamental to NEO and is as important to us as reducing food waste.

People are asked to pay what they think is a fair price for the goods provided, at a price they can afford. Neo have found that the pay-as-you-feel concept fosters a sense of community and enhances the relationship between the people who run, use and volunteer at NEO – something that doesn't happen in the mainstream economy.

We equally value the alternative of people volunteering their time, skills and energy to support NEO and the school. This can be as simple as offering to do some gardening in the school's allotment or helping with the community shop. If you feel able to volunteer your time in exchange for goods from the supermarket, then please speak to Mrs Baker and she will take your details and will then make contact with you to confirm arrangements.

We do hope that families will find these services beneficial.

Ks1 and KS2 Sports Days 2023 @ Christ Church!

**WE LOOK FORWARD TO OUR
EYFS SPOERTS DAY NEXT
WEEK!**
