

Christ Church Primary School

Together we can do all things through Christ who strengthens us

Week Ending 24/11/23

Message from Mrs Donelan

Dear Families and friends,

As I write this update, I can hear giggles, laughter and fun coming through the windows as the whole school are enjoying their Reindeer Run; wearing their antlers and red noses with pride! Thank you to our families and friends who have sponsored children to raise vital funds to support St John's Hospice; it is such a worthwhile local charity that supports so many of our families.

We have almost 300 children remaining in school this evening for our special Christmas Movie Night; I am sure we will all have a great time!

Thank you for all of your support with our fundraising events, they really do make such a difference.

I am also very proud to tell you that our Y5 Ethos group entered a Christmas tree decoration competition with CDAT and their entries won! Our school's decorations have been chosen to decorate the CDAT tree at the Chester Cathedral tree exhibition; what an honour!

Have a lovely weekend everyone and thank you for your ongoing support,

Amanda Donelan

We are delighted to announce that we have been awarded a **GOLD** star this week in a Health and Safety Inspection; we achieved **100%** in our compliance audit conducted by our Health & Safety consultants. I am sure you will join me in thanking the staff at school for prioritising safety for our children and families. A very special thanks goes to our premises team especially Mrs Swinglehurst, Mr Smith, Mrs Davis, Miss Davies, and Mrs Lloyd who work tirelessly keeping the site safe and clean.

Jeanne Fairbrother
ASSOCIATES

Look what we have enjoyed this week...

Pre-school have enjoyed all of the activities associated with the our rhyme this week, 'incy wincy spider!' They also especially enjoyed the Rudolph run!

FS2 have been thinking about the special time when a baby is welcomed into a family just like when baby Jesus was born. We were so lucky to have a visit from baby F to hear all about how babies can be cared for, loved and welcomed. "Children are a gift from the Lord" Psalm 127:3

Year 1 this week in DT, children designed and made their very own chocolate bars, which included melting and decorating the chocolate. The designers carefully made their own wrappers for their chocolate bars.

Year 2 in Science have been investigating which materials are waterproof for poor Flat Stanley so he could stay dry on his adventures. Y2 enjoyed welcoming a local police officer into school as part of their collective worship, giving thanks for her service to our community. We are so blessed to have such committed people who live their lives to serve us.

Year 3 have started writing a non-chronological report writing in English this week and continued learning about division in Maths. They have been busy looking at different joining techniques in their DT unit and have enjoyed learning all about muscles in Science.

Year 4 have worked hard on their hockey skills this week with Mr Williams, our sports coach. In geography, they used atlases to identify countries that neighbour Italy, as they were finding out where the Romans originated.

Year 5 have enjoyed finishing writing their narrative story in English and are conquering multiplying 2 digits by 2 digit numbers in maths. They've enjoyed making gingerbread in cookery too! In PE, children have been practising ball handling skills in hockey.

Year 6 have had a very busy week! They have been learning about the famous Victorian scientist Charles Darwin and have started to write a biography retelling the key events in his life. Whilst in maths, they have been learning how to order and compare fractions with different denominators.

Nurture class have enjoyed the visit from police officer Laura who told us about her job and what she does in our community. They children tried on her uniform and even spoke to PC Neil on the radio!

Attendance Matters

Weekly Attendance:

95.0%

**NEEDS
IMPROVEMENT**

The menu next week is... **Week 3**

Please see our website for menus, and you can pre-select children's meals on Parent Pay
