

Christ Church C of E Primary School

Home School Agreement

March 2022 – March 2025

Love must be completely sincere. Hate what is evil, hold on to what is good. Love one another warmly as Christians, and be eager to show respect for one another. Work hard and do not be lazy. Serve the Lord with a heart full of devotion. Let your hope keep you joyful, be patient in your troubles, and pray at all times.”

Romans 12:9-12

Mission Statement

Together we can do all things through Christ who strengthens us

Our mission is to love all children who are part of our community helping them develop respect, tolerance, self-confidence and to become the best they can be.

We will support our children to develop their God given gifts to the full and encourage a life-long passion for learning which will successfully lead them into secondary school and beyond.

As a church school at the heart of Moreton community, our work is underpinned by the Christian values of *friendship, humility, forgiveness, compassion, justice and service* which Jesus helps us to achieve.

We are a welcoming, caring and inclusive school committed to working in partnership with parents, governors, Christ Church and Chester Diocese Academy Trust.

We strive to provide a rich and varied curriculum which reflects God's concern for the whole child; promoting spiritual, moral, cultural, physical and emotional wellbeing alongside academic excellence and independence.

As a school community, we all work together to provide the very best for our pupils and families; firmly believing that:

Together we can do all things through Christ who strengthens us

Home School Partnerships

It is firmly believed and researched that children's interests are best served when parents and schools work in partnership. For this to happen, it is paramount that staff, children and parents support our school Policies and Code of Conduct and we would ask that parents and children sign the form attached to this policy to demonstrate their commitment and understanding of this. We hope that our home school partnerships builds a firm foundation of us working together to achieve the best possible outcomes for children at Christ Church.

We recognise the huge amount of education that happens in the home and that parents and teachers have differing complementary skills and talents, which must operate in harmony in order to be most effective. It is only when school staff and parents share their abilities and commitment to educate children academically, socially and emotionally, that a child may achieve their potential. We are committed to working as partners with our families to achieve this for our pupils.

This Home School Agreement outlines how we will work as a team to secure the best outcomes for our children.
