

Together we can do all things through Christ who strengthens us

Week Ending 12/01/24

Message from Mrs Donelan

Dear Families and friends,

Happy New Year; I am looking forward to witnessing the blessings that 2024 brings to us all! It has been a joy to welcome children back to school on Monday; I have been enjoying catching up with everyone and hearing all about their Christmas holidays. I am sure you will have noticed that Mrs Grant- Jones has returned from her secondment, she will be with us every Thursday and Friday until half term and then will return full-time next half term; it is great to have her back. We have some exciting things planned over the next term and some of these dates can be found later on in this newsletter, if you scroll down for further information. Yesterday, Mrs Scott took three of our KS2 boys who were randomly selected to attend a Chester City Football Club experience with CDAT—they had an amazing time. They enjoyed meeting some of the players and seeing the stadium. It was also great for the children to meet children from other CDAT schools. In a fortnight three girls will be attending the same experience and I look forward to hearing all about it! Best wishes, Amanda. Donelan

CDAT Chester City Football Club Experience!

Look what we have enjoyed this week...

Pre-school have settled in to the New Year extremely well! We are also pleased to have also welcomed new friends into Pre-School.

FS2 have had a very exciting week. They discovered a mess and lots of interesting clues in our classroom and have been trying to find out who caused it. The children have worked hard to write notes, measure footprints and send messages to Digbeth the dinosaur. We are excited to visit the museum next week to learn more about Digbeth and his friends.

Year 1 have been busy this week, showcasing their excellent reading and working on positional language. Year 1 have also had fun learning about number patterns and identifying odd and even numbers in maths.

Year 2 have enjoyed starting their new Art unit linked to their connected learning theme, 'Where in World?' They have been looking at the illustrator Axel Scheffler and finding out lots of interesting facts.

Year 3 have started the term looking at their new text, The Egyptian Cinderella and making links to the traditional version of the story. They have enjoyed learning about different joining techniques used for clay and had a go at making their own miniature pots.

Year 4 have began the new year with a bang! They have worked their socks off by reading and drawing graphs in maths, finished their class text (Krindlekrax), played basketball and learned all about the water cycle in Science! Phew!

Year 5 have enjoyed getting back into learning this week! They have started our new PE unit of basketball and looking at their new class text, Macbeth in English. Year Five have settled back really happily and are looking forward to working together to learn new things.

Year 6 have settled nicely into the new term. They have been busy writing an Amazon book review as a conclusion to the text that they studied last year. They have been consolidating their understanding of coordinates and translation in maths. It has been a very busy week but they have all risen to the challenge.

Nurture class have been working really hard learning a lot about fractions in maths this week. They have also enjoyed having lots of fun in class!

Attendance Matters

Weekly Attendance:

97.2%

The menu next week is... [Week 2](#)

Please see our website for menus, and you can pre-select children's meals on Parent Pay.

# Notices

Our Christian Value this half term is ...

### Weekly scripture focus:

*Love must be completely sincere. Hate what is evil, hold on to what is good. Love one another warmly as Christians, and be eager to show respect for one another. Work hard and do not be lazy. Serve the Lord with a heart full of devotion. Let your hope keep you joyful, be patient in your troubles, and pray at all times. Romans 12: 9-12*

### Prayer Requests

If you have any prayer requests that you would like us to take forward to the prayer group then please email them to:
