

Maths

In Maths, we will be recapping on addition, subtraction, multiplication and division. Then moving on to length, mass and temperature. It would really help your child if you counted regularly with them - in ones, twos, fives and tens initially and then in threes when they became more confident. Encourage them to use TTRS as much as possible! Thank you!

Science / History / Art

WHERE IN THE WORLD

We will be beginning our new unit of work called 'Where in the world?', looking at the continents and oceans of the world. In history, we will be studying various famous people who have been influential in the world of travel and transport. In art we will be looking at printing and collage. Our science unit is Living Things so we will be exploring different types of habitats and what makes them suitable for the animals that live there.

RE & Worship

In RE this half term we will be looking at 'Why did Jesus welcome everyone?'.
Our Christian Value for this half term is:

Christ Church (C of E) Moreton Primary School Spring Term 1 2024 Y2 Curriculum Newsletter

General information

Every Tuesday afternoon, the teachers have their planning, preparation and assessment time. During this time, the children will have a rolling programme of PHSE and French or Computing and Music.

The children will need to bring in their named PE kits and wellington boots at the start of the half term for their PE lessons and forest school sessions. We will send everything home at the end of each half term.

Year 2 will be visiting the Catalyst Museum on Wednesday 6th March - we will send more details nearer the time.

Reminders

Please ensure children that your child brings in a named waterproof coat (with a hood) and a named water bottle every day! Thank you!

You can always catch us at the end of each day, if you have a question, or you can email any queries to y2@christchurch-moreton.wilton.sch.uk

We are really keen to continue to build a relationship with you to get the best for your child!

Together we can do all things through Christ who strengthens us.

English

This half term we will be looking at the story of The Snail and The Whale. We will be writing descriptions using a range of strategies such as alliteration and similes, focussing also on our use of adjectives and adverbs.

We will also be focusing on spelling, punctuation and grammar. We will continue teaching children phonics and supporting them in learning new spelling patterns and rules.

You can further support your child at home by reading daily with them and encouraging them to write regularly for a purpose - letters, shopping lists, birthday cards, party invitations etc. Thank you!

Reading and Homework

Your children will bring home their reading book on a Wednesday and return it on Monday if they are reading Little Wandle. If they are on the AR books please return whenever they have read their book over 3 separate sessions. They will also bring home a Team Read book which is a book of their choice from our reading library. Homework will be set every Wednesday to be completed at home and returned by the following Wednesday. Children are encouraged to complete their homework independently, using their phonic knowledge to help them to spell unknown words. Thank you ☺.
