

Week Ending 15/03/24

Another wonderful week at Christ Church where the children have shone. We welcomed Sue Riley and some of our Governors into school on Monday, so that we could show them how our Christian distinctiveness makes us special as a Church school. We also had a visit from Lorraine Prince from CEFEL (Church of England Foundation of Educational Leadership) and Sue Noakes (Deputy Director of Education for Chester Diocese). Our children spoke to them so confidently about their learning, wellbeing and what helps them to flourish: we are beyond proud of them.

Teachers have been busy meeting with parents this week, sharing the excellent work that the children have been producing. Thank-you parents for working with us to enable the children at Christ Church to progress in every way. If any parents have been unable to attend meetings, please contact your child's class teacher, via the year group email, to arrange a meeting at your convenience.

Our Year 5 children have taken part in Bikeability this week. Well done to all of those children who have now got better skills to keep themselves and others safe whilst riding their bikes in the community.

Year 3 children have started their cooking unit, supported by the kitchen staff.

They have chopped, peeled, sliced and grated to produce the most wonderful rainbow salad.

We wish all of our families and friends a lovely weekend.

Amanda Donelan

Look what we have enjoyed this week...

Pre-school have enjoyed learning all about the life cycle of a frog. To help us with our learning we have been reading the book 'The Teeny Weeny Tadpole'. The children have enjoyed all the tadpole activities!

FS2 have really enjoyed learning how to be active listeners this week. We thought about how active listening can help us relate to others and have been trying to spot our friends listening actively and made posters to remind ourselves of the key parts of listening. We have also enjoyed thinking about how we can make a difference to our world and we are excited to make some pledges next week.

Year 1 have started their leaflets/posters all about the work that Chester Zoo does for conservation. We loved listening to all of the different ways they help God's planet as well as the animals. We have been looking at the artist Claire Thompson, who uses natural resources to create artwork to show magical fairy lands.

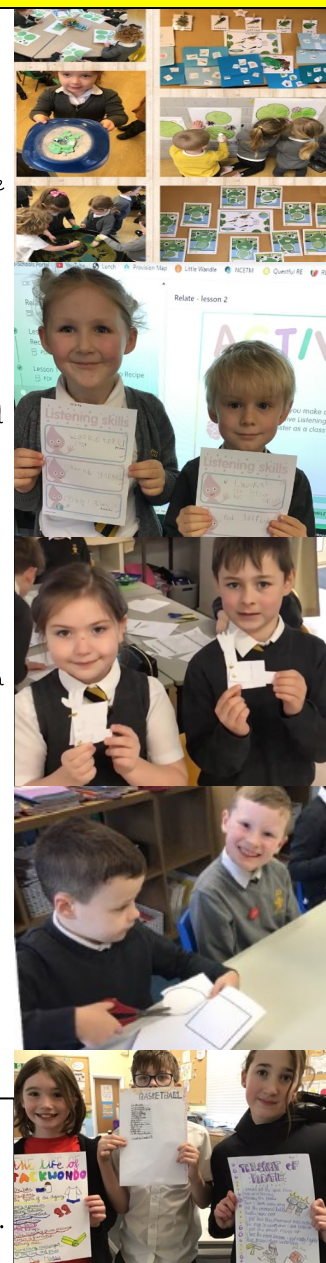

Year 2 have been busy finding lines of symmetry on 2D shapes this morning. 'It's just like finding half' one child commented. We have also had lots of fun learning all about the different animal groups.

Year 3 have been continuing learning about money and focussing on word problems this week. In English, the children have been planning parts of their play script and are almost ready to become playwrights. In DT, the children have been creating moving pictures using linkages and levers. Geography has been all about comparing the River Mersey to the River Nile.

Year 4 have started writing some amazing poems linked to Peter's denial of Jesus. We can't wait to share them at our Easter service! We have also enjoyed learning to bowl and bat in a cricket game with Mr. Williams.

Year 5 have been busy this week! In R.E, Y5 have been using the class Bibles and looking at the Gospels and comparing the different versions. We have also been enjoying practising our bowling skills this week in P.E lessons where we are focusing on learning to play cricket. The children have also been doing an amazing job at writing and reading their persuasive speeches. We are busy practising for our Easter service and are looking forward to our school trip next week!

Year 6 During RE lessons, the children in Year 6 have been learning about ascension and Pentecost. They have considered the impact of Pentecost on one of the apostles: Peter. They have also worked hard to produce some personal poetry inspired by Michael Rosen's 'The Absentees'.

 Fish Thursday for lunch

Monday 15th April: School re-opens for the Summer term.

Our Christian Value this half term is ...

Weekly scripture focus

God sent a great and mighty wind, splitting mountains, shattering stones.
But God was not in the wind.

And after the wind, an earthquake.
But God was not in the earthquake.

And after the earthquake, a fire.
But God was not in the fire.

And after the fire, a still, small voice.

1 Kings 19:11-12
