

## Maths

In maths, we are continuing with decimals and will then move on to percentages and then geometry. We will continue with mental maths, times tables and calculations daily. Please encourage your child to continue to practise their times tables regularly at home. If you need any additional resources or ideas to support them, please let us know! **Please note - the children will be working in different groups for maths and English this term so they will be mixed in the mornings.**

## Science/History/Geography

Science: Forces and animals and humans.

History:

What can we do to help the Earth?

How do natural disasters affect people?

What have been the worst natural disasters?

Can we learn from natural disasters in any way?

Geography:

What are the world's biomes?

Where is North America?

What is climate change?

How have humans affected the environment?

## RE & Worship

The Christian value we are embracing this half term is 'joy' and it will be the focus of assemblies and class services.

The R.E. theme is 'Women in the Old Testament'

## Homework

Homework is emailed out to parents every Friday and handed out on paper. We would like homework to be brought in or emailed by Wednesday of the following week.

Thank you for your continued support.
