Dear Parents and Carers,

Wirral Education Department has contacted schools regarding proposed changes to the academic year and holiday dates for 2022-23 and 2023-24.

They have set dates for 2023-24 and have asked schools to support a change to the previously published dates for 2022-23. As an Academy, our Local Governing Body is responsible for approving our term dates; however, we do try to align with Wirral as much as possible to support families with siblings in other Wirral schools who may otherwise have children off school at different times.

I have attached the new dates with this email and would ask that if the changes proposed for next academic year have any negative impact on families can you please email me via the school office so I can either liaise with individual families, or if a significant number are affected the Governing Body can consider moving to the new dates the following year?

The Governors of Christ Church do understand that some families may have made holiday plans based upon the published dates, especially after the past two summers of disruption so we would like to make sure we are as supportive as possible and the LA are also understanding of this position.

Do get in touch if you have any queries or comments you wish our Governors to consider or if you would like me to speak with you individually.

Kind Regards,
Amanda Donelan
Headteacher
