

## Maths

In Maths we will be focusing on:

- Numbers 1 to 10.
- Addition and subtraction to 10
- Shapes and patterns
- 

We will send out overviews showing key methods we will be using so you can continue to support your child at home.

In our daily maths meetings, we will focus on counting forwards and backwards to 10, the days of the weeks, months of the year, 2D shapes and coins.

## Topic

We are very excited about our new topic...  
**Farms and Factories.**

In History and Geography, we will be exploring the question How has farming changed since our grandparents were little?

This half term, we will be looking at who our grandparents are, what did our grandparents eat, how our grandparents got food and how we get food today.

## General

- **PE kits and wellies/puddle suits** stay in school throughout the half term.
- **Water bottles**-these must be sent into school for the children to access freely during the day
- **School Book bags**, please check these each day for letters.

In RE we will be looking at:

harvest

Our Christian value for this half term is

Respect

## Homework

Homework will be set on a Friday and needs to be back in school by the following Wednesday.

Children's homework is always set based on work we have completed in school, therefore we ask that it is as independent as it can be.

When writing, please ask children to sound out the words and write the sounds they hear. They should use their tricky word mat and their Grow the code mat like we do in school.

If you have any questions, please do send us an email.
