

Maths

In Maths, we will be looking at numbers up to 100. We will be ordering numbers, identifying one more / one less, the number that comes before and after. We will be looking at place value and splitting 2 digit numbers into tens and ones.

It would really help your child if you counted regularly with them - in ones, twos, fives and tens, forwards and backwards. - Thank you!

Geography / Art

WONDERFUL WIRRAL

We will be starting a new unit of work looking at where we live. We will be focussing on map work, looking at our school, Moreton and moving further afield identifying places on the Wirral. We will then look at where Wirral is in the United Kingdom.

In Art we will be focusing on drawing and sketching. We will be looking at shading, stippling, scribbling and hatching.

RE & Worship

In RE this half term we will be learning about the Bible. We will look at different Bible stories that teach us all about God and what we can learn from these stories.

Our **Christian Value** for this half term is:

Christ Church (C of E) Moreton Primary School Autumn Term 1 2024 Y2 Curriculum Newsletter

General information

Every Thursday morning, the teachers have their planning, preparation and assessment time. During this time, the children will have :

PE with Mr Donelan and Music with Mrs Radford

Children need to bring their PE kits and wellies in to school at the beginning of the term and we will send them home at the end of the half term.

We are planning lots of fun trips and activities for your child throughout the year. We will send further information out to you in the next week or two.

Our welcome to Y2 meeting is next Tuesday, the 10th September at 4pm in the hall.

Reminders

Please ensure children that your child brings in a named waterproof coat (with a hood) and a named water bottle every day!

Thank you!

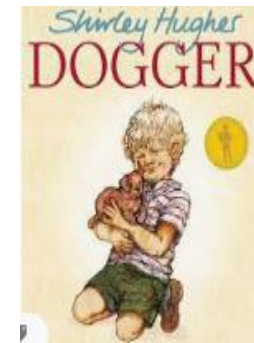

You can always catch us at the end of each day, if you have a question, or you can email any queries to y2@christchurch-moreton.wirral.sch.uk

We are really keen to continue to build a relationship with you to get the best for your child!

Together we can do all things through Christ who strengthens us

English

This half term we will be looking at the story of Dogger by Shirley Hughes. The children will be developing their sentence structure and using their phonics to help with their writing. We will continue teaching children phonics and supporting them in learning new spelling patterns and rules.

Your children will bring home their reading book on a Friday and return it on Monday. They will also bring home a Team Read book which is a book of their choice from our reading library.

We would also encourage your child to write regularly for a purpose - letters, shopping lists, party invitations etc. Thank you!

Homework

Homework will be in a **homework book** and be sent out every **Friday**, to be completed at home and returned by the following **Wednesday**.

Children are encouraged to complete their homework independently, using their phonic knowledge to help them to spell unknown words.

Thank you 😊.
