

Maths

In Maths, we will be continuing our addition and subtraction unit and then looking at multiplication and division. It would really help your child if you counted regularly with them - in ones, twos, fives and tens initially and then in threes when they became more confident. Thank you!

Science / History

WONDERFUL WIRRAL

We will be continuing our Wonderful Wirral topic by focussing on materials in science! We will be carrying out an investigation to help the builders select appropriate materials to fix our school roof. We will then be moving on to learning all about the history of the school and the changes to our local area over the past 60 years.

RE & Worship

In RE this half term we will be learning about the concept of 'Christian Community'. We will look at how it feels to belong to a community, looking at the church building and answering the key question 'What does it mean when Christians say the word church?'

Our Christian Value for this half term is:

Christ Church (C of E) Moreton Primary School Autumn Term 2 2021 Y2 Curriculum Newsletter

General information

Every Wednesday afternoon, the teachers have their planning, preparation and assessment time. During this time, the children will have a rolling programme of either:

Stretch and Reflect and Forest Schools with Mrs Edgington / Mrs Webster or PE with Mr Donelan.

Children should wear their PE kits to school every Wednesday and if it is their turn to have forest schools, can children please bring in their wellies/old trainers and a waterproof coat, particularly as the weather is starting to get colder and wetter!

The dates that children will need their forest school wellies are:

Class 5: 10.11.21, 24.11.21, 8.12.21

Class 6: 3.11.21 17.11.21, 1.12.21,

Reminders

Please ensure children that your child brings in a named waterproof coat (with a hood) and a named water bottle every day!

Thank you!

You can always catch us at the end of each day, if you have a question, or you can email any queries to y2@christchurch-moreton.wirral.sch.uk

We are really keen to continue to build a relationship with you to get the best for your child!

Together we can do all things through Christ who strengthens us

English

This half term we will be looking at poetry linked to Bonfire Night and fireworks. We will then move onto to focus on story writing by looking at a new text called Flat Stanley. The children will be continuing to develop their sentence structure, learning new adjectives and developing their stamina for writing by planning and writing a new chapter to extend the book. We will continue teaching children phonics and supporting them in learning new spelling patterns and rules.

You can further support your child at home by reading daily with them and encouraging them to write regularly for a purpose - letters, shopping lists, Christmas cards, party invitations etc. Thank you!

Homework

Homework will be set on seesaw every **Friday** to be completed at home and uploaded back onto seesaw by the following **Wednesday**.

We will continue to update children's Collins account with the children's eBooks. If you are unable to access this, please let us know and we will try to help!

Children are encouraged to complete their homework independently, using their phonic knowledge to help them to spell unknown words.

Thank you ☺.
