7th December 2021

Dear Parents / Carers of children in Class 12,

As you are aware, our History focus this term is 'Medieval Medicine' and in order to help make this learning more interesting and meaningful for your children, we would like to invite you to come and view Year Five's Medieval Model Village exhibition on Monday the 13th of December 2021.

Your children have been working incredibly hard over the last few weeks, researching, designing and building their own incredible miniature medieval house. As I am sure you are all aware, the children have spent lots of time at school and at home, working on this project. The children have designed the model village layout in the forest area, to display every child's work and will take the time to set up the tour and welcome you on the day. The children have worked incredibly hard on their projects and we are sure that you all would love to come and see their work.

There will be an opportunity to have a drink and a biscuit/mince pie with your child as they take you around the tour. Due to Covid and looking after our school community, we would like to invite each class at different times so that we can follow social distancing and request only ONE adult per child attends.

We are inviting you to attend the Medieval Model Village tour at 3:30pm on the Monday 13th of December.

Please meet at the green gate up the driveway, so that the children can give you a guided tour around the model village. You will need to wear a mask during your tour and the slot is for 30 minutes to allow all parents to view their child's wonderful pieces of work.

Many thanks,

Year 5 Team
