

Maths

In Maths, we will begin looking at division as an operation and then as the inverse of multiplication. It would really help your child if you counted regularly with them - in ones, twos, fives and tens initially and then in threes when they became more confident. Thank you!

Geography / Science

WHERE IN THE WORLD?

We will be starting a brand new topic, beginning our new term with Geography looking at the continents and oceans in the world. We will then move on to looking at habitats in Science and researching why certain animals live in certain parts of the world.

RE & Worship

In RE this half term we will be learning about the concept 'Kingdom of God'. We will look at different representations of the Kingdom of God, we will learn the Lord's Prayer and will answer the key question 'Why did Jesus teach his disciples to pray the Lord's prayer Your kingdom come.'

Our Christian Value for this half term is:

General information

Every Wednesday afternoon, the teachers have their planning, preparation and assessment time. During this time, the children will have a rolling programme of either:

- **Stretch and Reflect and Music / Computing** with Mrs Edgington / Mr Longstaffe
- **Art** with our specialist teacher Miss Lloyd.

Children should wear their PE kits to school every Monday and alternate Wednesdays. These dates are:

Class 5: 5.01.2022, 19.01.2022, 2.02.2022, 16.02.2022

Class 6: 12.01.2022, 26.02.2022, 9.02.2022

All children will have forest schools on Friday afternoons. Please can children please bring in their wellies/old trainers on these days and a waterproof coat, particularly when the weather is cold and wet!

Reminders

Please ensure your child brings in a **named waterproof coat (with a hood)** and a **named water bottle every day!**

Thank you!

You can always catch us at the end of each day, if you have a question, or you can email any queries to y2@christchurch-moreton.wirral.sch.uk

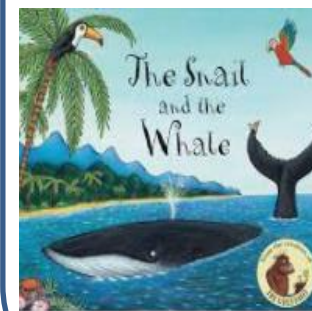

We are really keen to continue to build a relationship with you to get the best for your child!

Together we can do all things through Christ who strengthens us

English

This half term we will be looking at the text '**The Snail & the Whale**', and will be using a range of genre in our writing. We will be improving our sentence structure to write detailed descriptions including similes and alliteration. Children will also write a recount and a letter.

We then will move onto a non-fiction unit and will write information texts and fact files linked to different animals the snail and the whale meet on their journey.

You can further support your child at home by reading daily with them and encouraging them to write regularly for a purpose - letters, shopping lists, birthday cards, party invitations etc. Thank you!

Homework

Homework will be set on seesaw every Friday to be completed at home and uploaded back onto seesaw by the following Wednesday.

We will continue to update children's Collins account with the children's eBooks. If you are unable to access this, please let us know and we will try to help!

Children are encouraged to complete their homework independently, using their phonic knowledge to help them to spell unknown words.

Thank you 😊.
