Dear Parents / Carers of children in Year Two,

As you are aware, our Topic this term is 'Where in the World' and in order to help make this learning more interesting and meaningful for your children, we would like to take them on a trip to The Blue Planet Aquarium. This will be **on Friday 4th February**. **Please note this is subject to Public Health England advice and dependent on COVID regulations. The trip is safe to continue under our current risk assessments but we will be following government guidance with regards to educational visits and will of course keep you updated if any changes are needed nearer the time.**

We will be departing school by 9.30am and will return in time for the end of the school day.

We will be having lunch there, so your child will need a packed lunch and drink in a named, plastic bag that we can dispose of after eating. Please indicate below if your child would like the option of a having a take away 'grab bag' from our school kitchen.

Your child will need to wear their school uniform so that they are easily identifiable. We will all need to wear facemasks when travelling on the bus to and from The Blue Planet – please speak with us if you anticipate any difficulties or concerns with this.

In order for the trip to take place, we are requesting a contribution of **£14.00 (made payable via ParentPay)** to cover transport and entry fees to the aquarium. If you have any difficulties with this amount please contact the school office so that we can see how best to support you. Please can this be paid in full by Monday 31st January.

Please complete the form below and return to your child's class teacher as soon as possible.

If you are able to offer your help on our trip, please indicate below. We will select names at random and let you know by Friday 28th January, so that you can plan your time accordingly.

Many thanks,

Year 2 Team

Please note that we will be travelling on a well-ventilated, double-decker bus with appropriately distanced seating. Staff and adult volunteer helpers will be required to wear a face covering on the bus as well as the aquarium/workshops.
