

February 2022 Newsletter

Heads Up

Dear Families & Friends,

After dark mornings and evenings, it is lovely to see the days beginning to brighten as we look forward to Spring. There are lots of activities going on in school to share with you – we hope you enjoy this update!

Roof Works

We are finally getting back on track with our pitched roof replacement after multiple delays due to materials delays, COVID impact and roofer availability. Year 1 classrooms are underway and our fabulous Y1 children have coped amazingly with a couple of days being relocated into the hall -there may just be a little end of week treat way to year one to thank them for their super resilience!

COVID19

Our updated Risk Assessments are available on the school website. We continue with our enhanced cleaning, handwashing, ventilation and distancing where necessary. Children are remaining in year groups and in single classes where cases are reported, whilst we carefully return to more usual school activities. Thank-you for your ongoing support and communication which enables us to work together with families to limit transmission as much as possible.

Reading Garden

We are excited to be developing our outdoor shelters this term. Our Ark shelter is becoming a special place to swap books and take a few minutes for a cosy read. Please feel free to stop and use the space with your child or swap a book for yourself. Donations are being collected in all classrooms ready to set up our lending space. The children will be painting the backdrop next week and we are ordering our bookshelves ready to stock!

Reverend Cousins Retires

After 20 years serving the Moreton community supporting our families with joys and sorrows, Rev. Cousins will begin his retirement at half term.

On Tuesday 15th February, our pupils and staff will be celebrating with him during the afternoon. We know many of our families will also want to see him before he retires so we are inviting families to pop into school for a cup of tea between

3 – 3.45pm on the 15th if you would like to wish Rev. Cousins a happy and healthy retirement.

New Website!

Our updated school website will go live before half term. With updated information and pages, you will be able to watch videos explaining our curriculum approach, meet our staff and enjoy virtual tours of the school – look out for the launch date announcement!

SAVE THE DATE

Face to face parent/teacher

meetings in school Tuesday 6th March 2.30 – 5pm or Wednesday 7th March 3.45 – 6.30pm.

Booking details will follow after half term – we can't wait to invite you into our classrooms at last!

Parent Governor Election Results

Mr David Bates was successfully elected by your parent ballot with 44% of the votes. Mr Bates is delighted to accept the post on behalf of parents and carers. We would also like to thank Helen Saunders and Nick Bell for supporting the school and standing in the elections.

Christ Church Curriculum

All staff have taken on subject responsibilities and have spent significant time designing and reviewing our curriculum for pupils. We shared our research and direction with colleagues and Governors and look forward to parents seeing the overviews during our parent meetings. All curriculum summaries will also be available on the new look website!

Sports Tournaments

2021 concluded, with children having competed in local Tag Rugby competitions and the Wirral School Games Tag Rugby Tournament at Birkenhead Rugby Club.

Also, children from Year 5 and 6 competed in the EFL Futsal Tournament, and TRFC 7 a side football competitions at the Wirral Tennis Centre. We were victorious in our first round match of the Corgi Cup against Fender Primary School.

Children in Key Stage 1 enthusiastically participated in a weekly dance club run by a dance specialist from Tranmere Rover FC.

In 2022, we have hit ground running, with children across Key Stage 2 competing in after school netball tournaments. This is in preparation for next half terms local school netball competitions that will take place at our school.

Next week, we have children from Year 3 and 4 attending the Wirral Futsal Tournament. We wish them the very best of luck!

Don't forget that school **closes to children on Friday 18th February for half term and reopens on Monday 28th February.**

Thank-you for your support,

Mrs Amanda Donelan

Headteacher
