

Maths

In Maths, we will be exploring space, shape and measure. We will be looking at standard and non-standard measurement. We will be exploring weight, shapes and pattern.

Topic

We are really enjoying our topic of 'Into the Woods'.

This half term in Science, we will be looking at different animals and their groups, what makes an animal a carnivore, herbivore or an omnivore.

In History and Geography, we will be looking at The Wirral Peninsular, Eastham Woods and The Wirral Way.

We will be looking at recipes, instruction writing and fact files.

RE & Worship

In RE we will be looking at forgiveness during the lead up to Easter.

Our Christian value for this half term is

Homework

Thank you for all of your support with homework and reading so far. These tasks enable the children to apply the skills they have been taught in school and revisit concepts. We love seeing all of the independent learning, please encourage your children to write using the sounds that they hear in words and refer to their sound mats and tricky word lists during their activities. If you have any questions about homework for your child, please send us an email and we will get back to you as soon as possible.
