

## Maths

In Maths, we will be exploring numbers to 100. We will learn how to partition these numbers and begin to understand place value. We are also excited for Maths week, in which we will be discovering capacity, length, height and using our

skills in different ways.

## Topic

We are will be continuing our "Island Holidays" theme.

This half term in Science, we will learn about the human body and how to keep healthy.

In History and Geography, we will be looking at the first hovercrafts that were used in New Brighton.

## General

Please remember:

- **PE Kits**, can be left on pegs for Tuesday lessons
- **Water bottles**, these must be sent into school for the children to access freely during the day especially as the weather is becoming warmer.

Summer Fair

Nurturing achievers,  
who in Jesus' sight are:

Resourceful, Reliable, Respectful and Resilient

## English

In English we will be focusing on setting descriptions before planning and writing our own island story. We will also use our non-fiction skills to create fact files in our Chance

to Shine week.

## RE & Worship

In RE we will be looking at Judaism and thinking about the story of Joseph. Our Christian value for this half term is

## Homework

Thank you for all of your support with homework and reading so far. These tasks enable the children to apply the skills they have been taught in school and revisit concepts. We love seeing all of the independent learning, please encourage your children to write using the sounds that they hear in words and refer to their sound mats and tricky word lists during their activities. If you have any questions about homework for your child, please send us an email and we will get back to you as soon as possible.
