

Maths

In Maths, we will be using our maths knowledge to work on solving problems that involve all 4 maths calculations. We will continue learning to tell the time, focussing on 5 minute intervals. Please encourage your child to keep learning their times tables up to and including 2.3.4.5 and 10 times tables.

Art / DT

We will be continuing our topic Hakuna Matata, learning about all things Kenyan! We are going to be planning, designing, making and evaluating our own African mask.

We will also be looking at Tinga Tinga art and creating our own piece of work in this style.

RE & Worship

Our **Christian Value** for this half term is:

We will be finding out about the joy we can experience from the Holy Spirit and will be considering how to look for Joy in all that we do. We are preparing to share our ideas in an assembly to parents on 30th June, which you are warmly invited to join us for!

Our RE learning will focus on the story of Creation and then we will start a unit looking at the religion of Judaism.

Reminders

As it is the summer term, please ensure children that your child brings in a named water bottle every day. If it is sunny, bring in a named cap and ensure your child is wearing sun cream. We encourage children to: SIP (drinks), SLAP (hat), SLOP (cream).

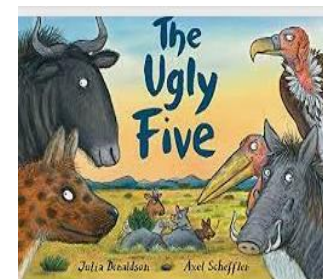

You can always catch us at the end of each day, if you have a question, or you can email any queries to y2@christchurch-moreton.wirral.sch.uk

We are really keen to continue to build a relationship with you to get the best for your child!

Together we can do all things through Christ who strengthens us

English

This half term we will be looking at the text 'The Ugly Five', and will be using a range of genre in our writing. We will be improving our sentence structure to write detailed descriptions including similes and alliteration. The children will be beginning to increase their stamina for writing, chunking their work into paragraphs and focussing on improving their handwriting and spelling.

You can further support your child at home by reading daily with them and encouraging them to write regularly for a purpose - letters, shopping lists, birthday cards, party invitations etc. Thank you!

Homework

Homework will be set on a **Friday** to be completed at home and the homework to be returned the following **Wednesday**.

Your child will continue to bring home a reading book and reading record. Please try to read with your child as much as possible.

Children are encouraged to complete their homework independently, using their phonic knowledge to help them to spell unknown words.

Thank you! ☺
