

Ooo Arrr me'hearties

Ye stinky children and grown ups are invited to celebrate your super hard work this year by coming to a Pirate themed party day in school!

*You grubby kids will spend the day playing games and getting into the pirate spirit, then those gruesome hairy grown ups are invited to join us for some pirate style grub and to get up to some pirate mischief in the FS2 classroom from **2pm till 3pm**. On the day we will take part in some pirate games, dancing, singing and make some pirate craft! Grown ups will have a chance to support children in the classroom and to share your child's work from this year.*

Hope you can make it and don't forget your best pirate outfit!
