

4th September 2020

WELCOME BACK

#BACKTOSCHOOL

Welcome back to all of our families!

The children have settled back into the 'new norm' of school life so well. We are thrilled to have welcomed the children back into school this week. The wonderful sound of children laughing, chatting and being engaged in their learning is filling the classrooms – a sound we all missed so

much. Thank you so much for all of your support with bringing your children back safely. The staggered drop off is now working really well in the mornings and there is no congestion, due to families bringing their children at their designated time. If you could also remember the one-way system at the end of the day that would be helpful. In through the green gate and out through the grey. Thank you for this!

September 2020 Menu

<p>Reception – Year 3 Grab Bags</p> <p>Each grab bag will contain a sandwich/wrap/pasta pot, a crumbed pot, a piece of fruit, a home bakery and a drink.</p> <p>Choose from a wrap or sandwich with a choice of filling including ham, cheese, tuna mayo or Chinese chicken. A pasta pot is also available with a tuna Mayo or cheese topping.</p> <p>Choose from a selection of drinks including apple juice, orange juice, blackcurrant juice or water.</p>
<p>Years 4 – 6</p> <p>Deli Bar - Available Everyday</p> <p>Design your own sandwich, first choose your bread – wraps, savoury buns or sliced bread, then choose your filling a selection of the following will be available daily – ham, cheese, tuna, Chinese chicken, turkey, roast beef, egg and frylly fresh with a choice of salad – carrot sticks, cucumber, cherry tomatoes, iceberg lettuce, sweetcorn, coleslaw, beetroot and peppers.</p>   <p>And for dessert</p> <p>Home bakery, fresh fruit, fruit pots, yogurt or cheese & crackers are available every day.</p> <p>And finally, a drink</p> <p>A selection of the following drinks will be available daily fresh fruit juice – apple or orange or water.</p>

Note: From the 2nd week of term a hot option of panini's or pizza slices will be available

School lunches

Don't forget school lunches next week will include an option of hot paninis and pizza slices to choose from as well as our deli bar. We are building up to our hot serve whilst the children get used to the new routines for our staggered lunchtime.

Next week the additional choice will be:

- Monday - Cheese panini
- Tuesday - Pizza slice
- Wednesday - Cheese and ham panini
- Thursday - Pizza slice
- Friday - Tuna melt panini

Communication with teachers!

Don't forget that you can contact your child's teacher via the class emails. If you email them at y1@christchurch-moreton.wirral.sch.uk Just replace the year group with the correct year: fs2, y1, y2, y3, y4, y5, or y6. The emails will be checked regularly and responses given over the course of the week. If it is a more urgent matter, emails to the school office will be picked up that day.

Handwashing

Here is a link to a video of good hand washing.
<https://www.bbc.co.uk/newsround/51698180>

The children are washing their hands regularly throughout the day. To help with this, we have had 5 outside sinks installed.

Social distancing

Children are seated differently in class facing the front and they are encouraged to give each other space to limit opportunity for germs to spread. Where children find this tricky, they wash their hands more regularly.

We also have hand sanitisers by the door of every room to help stop the spread of germs!

STOP THE SPREAD OF GERMS

CATCH IT

Germs spread easily. Always carry tissues and use them to catch your cough or sneeze.

BIN IT

Germs can live for several hours on tissues. Dispose of your tissue as soon as possible.

KILL IT

Hands can transfer germs to every surface you touch. Clean your hands as soon as you can.

Catch it! Bin it! Kill it!

We are encouraging the children to Catch it! Bin it! Kill it! When we cough or sneeze we can pass on infections. We can reduce the risk by coughing or sneezing into a tissue, putting it in a lidded bin and then washing our hands thoroughly.

Christ Church recovery plan

We have designed a recovery curriculum at Christ Church. The **Return** focuses on returning all children back to school; establishing routines, helping the children to understand the protective measures and expectations as well as the support available to them. The **Reacquaint & Reassure** will help the children with building relationships, friendships and settling any anxieties. The **Review** will be where teachers use baseline assessments of core subjects and emotions to gather the information for the **Repair** section where teaching plans will be facilitated to fill any possible gaps so that children may 'catch up' and accelerate their learning progress. The last stage is the **Recover & Realise** where monitoring points will check on progress and ensure that children are reaching their potential and are on track by the end of the year. Teachers will be baselining the children during September and parent meetings (via phone calls) will take place during the week of the **19th October** in order to update parents of their child's bespoke plan following the baseline.

Together we can do all things through Christ who strengthens us

Please note that there is a movement of INSET the day from the 4th January 2021 to 23rd October 2020 in order to give the staff time to ensure that plans for each child are in place and resourced for the start of Autumn 2.

What to do if somebody in your household has symptoms of coronavirus

1. Do not send your child to school if they have symptoms
2. Get a test to check if they have coronavirus as soon as possible
3. Stay at home and do not have visitors until you get our test result – only leave your home to have the test.
4. Anyone that lives in your home, and anyone in your support bubble, must also stay at home until you get your result back.

[GOV.UK](https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection) relevant guidance

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

Remember, a test is only required if a key symptom is evident and the whole family must self-isolate until the test results are back.

Thanks you once again for your continued support,

Christ Church SLT
