

Maths

This half term we will be focussing on **addition and subtraction**. We will be covering; addition and subtraction facts, simple adding, adding with renaming, simple subtraction, subtraction with renaming and using models in addition and subtraction. Your child's homework may follow alongside their learning in school or it could be an area of maths we feel the children need an extra boost in.

Science/Topic

Science: In Science, we will be focusing on rocks, through our topic work. We covered Plants last half term as we had such great weather!

Topic: We will be continuing the Stone Age to Iron Age topic focus this half term. We were hoping to have a visit from a Stone Age historian. But unfortunately due to Covid restrictions we will be doing this via Zoom but the children will have access to some Stone Age artefacts! We are hoping to build a Stone Age hut in the Forest school area!

Other Subjects

PE: Games and Gymnastics

Music: Glockenspiel

ART/DT: The children will be learning about and recreating Stone Age cave art. They will be planning and constructing a Stone Age hut.

Computing: This half term the children will be learning about programming. We will also be using augmented reality to visit Stone Age sites.
