

Thinking About Theo

This amazing little boy is 5 year old Theo; when he was born he was very poorly and had extensive heart surgery. For the past 2 years he has been waiting for follow up surgery to help his circulation.

Theo is a happy, busy little boy who we all love. We are full of admiration for him and how he has coped with everything he has faced so far in his young life.

Next Tuesday Theo will be having the heart surgery he has been waiting for.

Theo's family have had a close connection with our school for over 15 years as his older siblings have all attended Christ Church. They have shown such strength for Theo and we know they must be feeling all sorts of emotions at the moment.

Please take a moment to think about Theo and his amazing family; remember them in your thoughts and prayers. We all pray his surgery is successful and he makes a speedy recovery and we ask God to give Theo and his family the strength and courage they will need over the coming weeks.

**Good luck Theo,
With Love From everyone
