

Maths

In Maths, we will be continuing our addition and subtraction unit and then looking at multiplication and division. It would really help your child if you counted regularly with them - in ones, twos, fives and tens initially and then in threes when they became more confident. Thank you!

Science / History / DT

WONDERFUL WIRRAL

We will be continuing our Wonderful Wirral topic by focussing on materials in science! We will be carrying out an investigation to help find the best material to keep Flat Stanley dry. We will then be moving on to learning all about the history of the school and the changes to our local high street over the past 60 years. In DT we will be designing and making a new friend for Flat Stanley - this will involve lots of sewing!

RE & Worship

In RE this half term we will be learning about the concept of 'Incarnation' and looking at the very special role the Magi had in the birth of Jesus.

Our **Christian Value** for this half term is:

Christ Church (C of E) Moreton Primary School
Autumn Term 2 2022

General information

Every Wednesday morning, the teachers have their planning, preparation and assessment time. During this time, the children will have a rolling programme of either: PHSE with Mrs Edgington / Mrs Webster or Computing and Music with Mr Longstaffe.

The children will need to bring in their named PE kits and wellington boots at the start of the half term for their PE lessons and forest school sessions. We will send everything home at the end of each half term.

We hope to see you on parents evening to see how your amazing children have settled into Y2.

We hope you can all come and watch our Christmas performance of 'A Magical Christmas Journey' on Monday 12th December!

Reminders

Please ensure children that your child brings in a named waterproof coat (with a hood) and a named water bottle every day!

Thank you!

You can always catch us at the end of each day, if you have a question, or you can email any queries to y2@christchurch-moreton.wirral.sch.uk

We are really keen to continue to build a relationship with you to get the best for your child!

Together we can do all things through Christ who strengthens us

English

This half term we will be looking at poetry linked to Bonfire Night and fireworks. We will then move onto to focus on story writing by looking at a new text called Flat Stanley. The children will be continuing to develop their sentence structure, learning new adjectives and developing their stamina for writing by planning and writing a new chapter to extend the book. We will continue teaching children phonics and supporting them in learning new spelling patterns and rules.

You can further support your child at home by reading daily with them and encouraging them to write regularly for a purpose - letters, shopping lists, Christmas cards, party invitations etc. Thank you!

Reading and Homework

Your children will bring home their reading book on a Friday, as in Year 1, and return it on Monday. They will also bring home a Team Read book which is a book of their choice from our reading library. Homework will be set every **Friday** to be completed at home and returned by the following **Wednesday**.

Children are encouraged to complete their homework independently, using their phonic knowledge to help them to spell unknown words.

Thank you ☺.
