Together we can do all things through Christ who strengthens us

## Please join with us in our Christ Church Community Challenge!

We are in the final week of this lockdown half term and as a school community we have really pulled together by:

Remote learning - home & school  
working hard together

Shared assemblies

Amazing Christ Church children

Families working hard to keep  
everyone safe

## We are incredibly proud of #TeamChristChurch!

This lockdown seems to have been so much harder than previous ones and several of our families and staff have been affected by COVID. To celebrate our community's resilience, support and togetherness, we would like to have some fun with you making a video to demonstrate how we have managed to stay together and help each other as a family, despite being apart in so many different ways.

**The song 'Jerusalem' has quickly become a symbol of hope amidst all the of the COVID-19 pandemic. The Jerusalem dance has gone viral on multiple social media platforms.**

We're sure the pupils of Christ Church can learn the simple steps to this dance routine very quickly and then teach their families – they may know it already! We'd love you to record yourself performing a few dance steps and then send your clips in so we can put them together to make one united video; a video to share joy and hope with each other.

So the challenge is for our mums, dads, grandparents, carers, work colleagues, staff and most importantly **ALL CHRIST CHURCH CHILDREN** to show off their moves and join us by sending in your film clips to the school office or year group email addresses by Friday 12th February so that the video can be compiled & shared over half term.

*Don't forget – only dance with people in your home or support bubble – we need to keep following the social distancing rules! We will join everyone together by the power of imovie!*

The link for the steps is: [https://www.youtube.com/watch?v=Ufs1\\_T\\_-ga4](https://www.youtube.com/watch?v=Ufs1_T_-ga4)

Thanks in advance for your efforts, we can't wait to receive your videos!
