Please help us enhance our School Library

Dear Parents and Carers,

Like many local organisations we have been impacted by the pandemic and fundraising activities that would usually be planned by our super CCPA have not been able to take place. As we look forward to celebrating World Book Day on the 4th March we wondered if any of our families would be able to help improve and update our selection of books. We have purchased online reading scheme books from our school budget as so many get lost moving between home and school and we need to quarantine books when they are returned to school for safety. This will help all pupils to have access and regularly change reading books electronically to share with families, but we don't want them to miss out on the joy of curling up with a good book and becoming lost in an adventure!

We would like to fill every classroom at Christ Church CE Primary School with beautiful books as they are the foundations of our curriculum: stories that inspire and engage; books that promote the social and emotional well-being that underpins everything we do at Christ Church; books that improve the diversity of our library; stories that gives us role-models to aspire to and guide us to make better choices for our world.

We have created a wish-list filled with the most amazing books around; we are asking for help to build our library and shape our children's minds. If you are able to support us, please choose a book (or books!!) that is close to your heart from one of the links below. Furthermore, if you are able to share the link far and wide, we would be eternally grateful. If you choose to leave a 'gift note', it will be placed in the front of the book.
